BRIEF ABSTRACT OF LETTER

Requests that definite orders may be passed regarding the powers of Dy Comrs to revive worship & utilise tasdik grants of temples in which worship was not being conducted for a number of years

NOTES AND ORDERS

In GO no 3233-42/R544 & 26-9-79 (printed on pp 621 of the new Rev Manual) it has been stated -

"Any stoppage or reduction of sanctioned expenditure which may be unobjectionable

may be sanctioned by the Dy Comr, in view to the savings being appropriated towards the building. It is only where such arrangements could not be made for restoring the institution to an efficient state or where it is private property, that the inams and other endowments made to it by Govt should be resumed for failure of service.

"Such final resumptions should only be made under the sanction of Govt."

From the above it is seen that the sanction of Govt is necessary only in the case of final resumptions. No sanctions of Govt seems to be necessary for temporary stoppage of tasdik &c with a view of reviving the worship when sufficient funds become available for restoring the institn to a proper condition Though the Dy Comr ~~[illegible]~~ appears to have the power of stopping & reviving worship, yet

in the case of temples in which worship was not being conducted for a number of years, arrears of allowances due to the temple could only be paid ~~to~~ with the sanction of Govt under the rules of the Account Dept. when such arrears are to be paid the Dy Comrs ~~[illegible]~~ submit bills for sanction, with a report dealing with the facts of the cases.

The Comptroller refers to a letter (No 25 & 18 7-11) of the Dy Comr, Mysore to the Secry to Govt & states that the Dy comr recommends the continuance of the tasdik of some institutions & the discontinuance of others. It is submitted that the letter in question was received in this office from the D.C Mysore in reply to a general circular calling upon the Dy Comrs & to forward list of Mhz institns (in their respective districts) whose tasdik grants have lapsed to Govt & may be consequently available for providing

The Zamindars are now in the enjoyment of the several Inam institutions are those granted to them by previous rulers of the state & finally confirmed by the Inam Settlement with regd to the various grants to them by such rulers & on the grounds that the purpose of the grants was fulfilled by the institutions enjoying them.

The present practice is that the local Jamabandy officers inspect the institutions in the course of their Jamabandy work, and the Govt on the report of these officers temporarily suspends the Zamindars of those institutions in the cases in which the conditions of the grant are not

fulfilled, and orders thereon to be communicated as soon as the conditions are again commenced to be fulfilled, the sanction to share expenses being met from the sanction of the cadre temporarily stopped.

Trial resumptions of grants are invariably reported to Govt. & their sanction obtd. Re-grants in these cases are to be sanctioned by Govt. & should be considered as fresh grants.

In the above circumstances, it is not clear why a Special ~~Special~~ order is found necessary by the Comptroller who seems to desire a limitation upon the discretion & latitude at present allowed to the Dept. Commrs.

In the interest of the institutions it is very necessary that the local Mayors office should have the power to keep back the tax dues pending execution of necessary repairs and suitable arrangements for the conduct of worship. Sanitation is only a necessary preliminary to the resumption of worship. So long as the rules regulating payments are observed, the present practice may well be allowed to continue

SIR,

I have the honor to state that on observing from the Muzrai Establishment Audit Registers of this office that the Tasdik grant of a number of Institutions in the Mysore and Kolar Districts were not being drawn for expenditure for a number of years, enquiries were made of the Deputy Commissioners of those Districts as to whether those institutions are not in existence. Their replies are to the effect that the institutions are in existence, but that the Tasdik grant for them was not being drawn as the conditions of the grant were not fulfilled. They also state that ~~Sarvalankara~~ Samprokshana ceremonies were performed in some institutions and worship revived in them from the date of the King Emperor's Coronation at Delhi. The Deputy Commissioner, Mysore, has forwarded a copy of his letter No.25 dated 18th July 1911 to the Secretary to Government with its enclosure, from which it is seen that he recommends the continuance of the Tasdik of some institutions and the discontinuance of others.

As there are no definite orders of Government regarding the powers of the Deputy Commissioners to revive worship and utilise the Tasdik grant of temples in which worship was not being conducted for

The account rules require that whenever a claim remains undrawn for one year the sanction of the Comptroller should be obtained for drawing the amount and when it remains undrawn for more than 2 years, the sanction of Govt should be obtained. These rules are also applicable to cases in which payments of arrears of Jasdik grants are to be made. So long as these rules are not infringed, there is no objection to the continuance of the
